

Talking Points – Bus Leader announces to students prior to unloading

- Stay with your designated chaperone/leader.
- The first thing that will be done when we get off this bus is a group photo in the grassy area in front of the helicopter. Please follow instructions getting set up and let's get this done quickly.
- Please watch out for ants when in the grass.
- Restrooms will be in the hallway as you enter. If you need to go, use it at the beginning, as there may not be an opportunity on the way out.
- Once inside, you will be given a draw string backpack with a pen. Use the backpack to keep the giveaways provided by the companies. Use the pen to fill out your Field Study Card.
- Be sure to put your name on your Field Study Card first thing.
- Remember why you are here. Ask intelligent questions, learn as much as you can, and be sure to write down what you learn in your Field Study Card. You will be graded on this.
- If you get candy, be sure to put wrappers in your pockets, your backpack or a trash can.
- There will be an announcement when there are 5 minutes remaining. When that occurs, begin wrapping up conversations and find your chaperone. You will leave together out a different way than you came in.
- There will be students here from other schools. Set the example for how to act.
- Be respectful of others, have fun, and represent our school well.
- *(Anything else you deem relevant/important for your students.)*
