

Tuesday, October 8<sup>th</sup>

9 a.m.-Noon

Piedmont Tech  
Newberry County

The Business & Industry Showcase is designed to help youth in Laurens and Newberry Counties understand the employment opportunities available in today's job market. Attendees will walk away from the event better equipped to succeed in their future careers.

At the event, students will have the opportunity to discover:

- Great paying careers
- What different jobs are like
- What companies in their communities do
- How they can prepare now for future employment
